

## **EXHIBIT C - TEST SETUP PHOTOGRAPHS**

---

**Conducted Emissions Front View**

**Conducted Emissions Side View**

A photograph of an anechoic chamber. In the center, a white rectangular object, possibly a test subject or a piece of equipment, sits on a white stand. To the left, a red metal frame with vertical bars is visible. The walls are covered in black pyramidal absorbers. The floor has a yellow and black striped safety area.

### Radiated Emissions View (18GHz-40GHz)
